PERSONAL OVERDRAFT PRIVILEGESM SERVICE DESCRIPTION

It is the policy of the Bank to comply with applicable laws and regulations, and to conduct business in accordance with applicable safety and soundness standards.

Our normal insufficient funds or overdraft charge of \$36.00* will apply to each item that would create an overdraft on your account. Should your account become overdrawn and continue with a negative balance for seven consecutive calendar days, a “Continuous Overdraft Fee” of \$36.00* will be charged. Thereafter, if your account continues to maintain a negative balance, a “Recurring Overdraft Fee” of \$15.00* will be assessed every seventh consecutive calendar day. An insufficient funds (overdraft/negative) balance may result from: checks, ATM withdrawals, debit card transactions, preauthorized automatic debits, telephone-initiated transfers or other electronic transfers, payments authorized by you, the return, unpaid, of items deposited by you, the imposition of bank service charges, or the deposit of items, which according to the Bank’s Funds Availability Policy, are treated as not yet “available” or finally paid. This may result in more than one overdraft fee charged against the account per day. **We are not promising to pay your overdrafts and not all accounts are eligible. The overdraft limit may not be available for all transactions and some restrictions do apply.**

We are not obligated to pay any item presented for payment if your account does not contain sufficient collected funds. Rather than automatically returning any unpaid or any insufficient funds items that you may have, if your eligible account (primarily used for personal and household purposes) has been open for at least 30 days and thereafter you maintain your account in good standing, which includes at least: A) Continuing to make deposits consistent with your past practices, and depositing at least \$300 or more in your account within each 30-day period; B) You are not in default on any loan obligation to the Bank; C) Your account is not the subject of any legal or administrative order or levy, **we will consider—as a discretionary courtesy or service** and not a right of yours nor an obligation on our part—approving your reasonable overdrafts.** Overdraft (negative) balance amounts will generally be limited to \$800 for Just Checking-R, \$800 for Just Checking-L, \$800 for Just Checking-E and \$200 for Just Checking-P accounts. Fees charged for covering overdrafts, as well as the amount of the overdraft item, will be subtracted from any Overdraft Privilege limit disclosed.

We may refuse to pay an overdraft for you at any time, even though your account is in good standing and even though we may have previously paid overdrafts for you. You will be notified by mail of any insufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item. The amount of any overdrafts plus our insufficient funds and/or overdraft charge(s) that you owe us shall be due and payable on demand. If there is an overdraft paid by us on an account with more than one owner on the signature card, each owner, and agent if applicable, drawing/presenting the item creating the overdraft, shall be jointly and severally liable for such overdrafts plus our insufficient funds and/or overdraft charge(s) and/or recurring and/or continuous overdraft fee.
