Oklahoma Fidelity Bank Business Online turns your office PC into a fully featured treasury management workstation. In addition, since it's web-based, you don't have to download or maintain additional software.

Use Oklahoma Fidelity Bank Business Online to manage your company's money securely. Our comprehensive security provides access only to you and authorized employees. Maintain complete administrative control of your company's account and online transactions with full approval and review.

## BALANCE INFORMATION

In addition to a quick look at account balance summaries, there are detailed current-day transaction reports as well as front/back check images. Also, receive balance alert emails and float/collected balance information.

## ACCOUNT TRANSFERS

At any time, you can transfer funds between Oklahoma Fidelity Bank accounts on a one-time or recurring basis.

## ACCOUNT MANAGEMENT TOOLS

Oklahoma Fidelity Bank tools provide timely information and transactions as well as the ability to research and analyze transactions. We provide tools that help issue stop payment requests, request copies of checks, reorder checks and send secure emails to Oklahoma Fidelity Bank.

## USER ADMINISTRATION

Maintain control and security with flexible, multi-user options. You have supervisory review and approval of all online transactions.

## ONLINE WIRE TRANSFER SERVICE

Using an online bank routing number directory, making wire transfers are quick, easy and secure. Use this online service for freeform wire instruction or to establish repetitive templates.

## ONLINE ACH ORIGATION

Efficiently process and review all types of electronic payments such as direct deposit, direct debit and corporate and federal tax payments. Online ACH includes a database of transaction participants and multi-transaction batch processing capability. It also allows importing NACHA files from external systems.

## TREASURY MANAGEMENT SERVICES

Billings, collections, accounts payable. Cash flows in, cash flows out, and occasionally it sits around. Let Oklahoma Fidelity Bank deliver the optimum tools to maximize your company's cash flow.

## DirectLink

Conveniently and securely scan checks from your business locations. Funds are deposited electronically into your Oklahoma Fidelity Bank account. DirectLink means not having to drive to the bank to deposit checks.

DirectLink will streamline the check depositing process and save time and money by scanning checks and transmitting the images to a bank for posting and clearing. For a nominal monthly fee, you'll be on your way to enjoying the time-saving rewards of DirectLink.

## WIRE TRANSFERS

Some business opportunities are beyond routine, making their resulting transactions more timely than others. We make initiating, approving and tracking domestic or international wire transfers a snap.

## OKLAHOMA FIDELITY BANK SMARTVOICE

Your business account information is always just a phone call away. Call (405) 507-3100 or 1-800-757-0464 to access balances, deposits, interest earnings and other account information. SmartVoice is available 24 hours a day, seven days a week.

## AUTOMATED CLEARING HOUSE (ACH)

Collect customer payments by setting up automatic debit transactions from their accounts. ACH generates efficiencies in vendor payments, cash concentration, bill collection, tax payments, inter-bank transfers, commissions payable, expense reimbursements and payroll direct deposit.

## LOAN SWEEP AND ZERO BALANCE ACCOUNT (ZBA)

Loan Sweep provides a cost-effective way to maintain a target balance in your checking account while minimizing borrowing expenses. As cash position changes from day to-day, Loan Sweep responds automatically to cash flow needs. It routinely advances on your line of credit when your checking account drops below a predetermined balance. Alternatively, it uses excess collected deposits in your checking account to pay down your line of credit.

A Oklahoma Fidelity Bank ZBA will automatically consolidate your balances from multiple checking accounts into a single account, saving you time. Once funds are centralized in your operating account, you will be able to identify excess cash, eliminate fund transfers and more.

## MERCHANT PROCESSING

Customers expect businesses to accept credit card payments. Consider credit card acceptance to enhance customer service and reduce account receivables.

Sources of capital - to operate your business, develop a new venture or expand and grow. As one of the nation's top 50 privately owned financial institutions, Fidelity bankers are backed with the horsepower to fund your company's ongoing needs. At the same time, having a local perspective and a simplified lending process results in higher levels of responsive and innovative solutions.

## TERM LOANS

Solutions are often shaped around flexibility. We can structure loan payments to correspond to your company's cash flows. Use a term loan to acquire or expand facilities, purchase new or used equipment and vehicles or refinance debt.

## LINES OF CREDIT

Use a line of credit for short-term, ongoing or unexpected expenses. Secure a line of credit with your company's accounts receivable, inventories or other business assets.

## COMMERCIAL REAL ESTATE LOANS

Our heritage is deeply rooted in financing the purchase and construction of commercial real estate. We have more than 100 years of experience in financing income-producing properties, commercial real-estate properties, apartments, offices, warehouses and other commercial enterprises.

## SMALL BUSINESS ADMINISTRATION (SBA) LOANS

Launch a business or ease growing pains. SBA loans help buy or expand a business, build inventory or equipment, finance receivables, buy real estate or fund working capital. Terms range from five to 20 years.

## HEALTH SAVINGS ACCOUNT (HSA)

HSAs are designed to help individuals and families defray the out-of-pocket expense when covered by a High Deductible Health Plan (HDHP). An HDHP is defined as having a higher annual deductible than typical health plans and a maximum limit on the sum of the annual deductible and out-of-pocket expenses. As HSA account holders, your employees own and control the funds in the HSA. How and when they spend those funds is their decision without having to rely on direction from a third party.

## VISA DEBIT CARD

Oklahoma Fidelity Bank Business Debit Card extends the ease of a credit card with the power of a check. Use your debit card to make purchases wherever VISA cards are accepted, to pay monthly bills or withdraw money at ATMs. Each purchase is automatically deducted from your Oklahoma Fidelity Bank business checking account and backed by the reliability of the VISA name.

## PRIVATE BANKING AND TRUST SERVICES

Comprehensive and distinctly personalized, our Private Banking division designates a trusted banking officer to handle unique and timely financial transactions, plus a wide range of special deposit and credit products. Additionally, Oklahoma Fidelity Bank assists our clients with a complete array of wealth management and estate planning options through our network of investment firm partners.
